Dimmit County Rodeo Arena & Conference Center  
Carrizo Springs, Texas

EVENT REGISTRATION at [WWW.TM-BC.ORG](http://WWW.TM-BC.ORG)

USE THIS CODE TO  
REGISTER

The Texas/Mexico Border Coalition Community-based Organization (TMBC) is proud to host this event in partnership with USDA Natural Resources Conservation Service. Our planning committee has developed a diverse itinerary of presentations and demonstrations that will benefit the growing number of women involved in all aspects of farming and ranching.

Your sponsorship for this event is an indication of your own support for this important group of agricultural operators and for agriculture in general. It is only through sponsorships that we are able to provide high-quality events at no cost to the attending farmers and ranchers.

In appreciation, sponsors may utilize an exhibit space in the conference hall. Time is built into the itinerary to allow attendees to network with exhibitors and sponsors will be recognized in the event booklet and the program. All donations are subject to 501c3 donation benefits, as outlined in the US Tax Code.

Please provide the following information to TMBC and retain a copy for your records. An additional invoice/receipt can be provided upon request.
